

Request for Statement of Qualifications  
For Engineering

Northwest Alabama Council of Local Governments

The Northwest Alabama Council of Local Governments is now soliciting Statements of Qualifications from qualified organizations to provide professional Engineering services in connection a feasibility study for a regional surface water treatment plant and distribution system in eastern Lauderdale County, Alabama.

Factors to be considered in the award of this professional Engineering services contract include: 1) Proximity of firm to project area (5 points); 2) Qualifications of key personnel to be assigned to project (5 points); 3) Availability of key personnel – timeliness, mobility, current workload (5 points); 4) Understanding of the project and proposed improvements (5 points); 5) Past experience with similar projects (5 points); and 6) References (5 points).

Organizations wishing to be considered for this procurement must first request a copy of the Request for Proposals by email at [nwillingham@nacolg.org](mailto:nwillingham@nacolg.org). Organizations will then be provided an opportunity to submit a Statement of Qualifications covering all of the above factors. In the event of a tie, an oral presentation will be used to determine the most qualified firm. Fee will be negotiated with organization first selected on the basis of qualifications.

Statement of Qualifications must be submitted no later than 10:00 A.M., June 15, 2018. Submittals received after this time and date shall not be considered. Statements must be submitted in accordance with instructions provided in the RFP, which must be requested by interested parties. Other submissions will not be allowed.

Questions concerning this solicitation should be directed to Nathan Willingham, NACOLG Director of Planning and Transportation at [nwillingham@nacolg.org](mailto:nwillingham@nacolg.org).

Keith Jones, Executive Director, NACOLG
