This report was financed in part by the U.S. Department of Transportation (USDOT), Federal Highway Administration (FHWA), Federal Transit Administration (FTA), the Alabama Department of Transportation (ALDOT), and local participating governments, in fulfillment of requirements set forth in Public Law 117-58, the Infrastructure Investment and Jobs Act (IIJA), as adopted by Congress in November 2021. The contents of this report do not necessarily reflect the official views or policies of the U. S. Department of Transportation.

Shoals Area Metropolitan Planning Organization Members

Policy Committee Voting Members

Tommy Barnes – Chairman, Colbert County Commissioner

Joe Hackworth – Vice Chairman, Lauderdale County Commissioner

Steve Stanley – Mayor, City of Sheffield

William Foster – Mayor, City of Tuscumbia

Mike Lockhart – Mayor, City of Muscle Shoals

Andy Betterton – Mayor, City of Florence

Tim Tubbs – Mayor, Town of Killen

Curtis W. Vincent, P.E. – North Region Engineer, Alabama Department of Transportation

Keith Jones – Executive Director, Northwest Alabama Council of Local Governments

Policy Committee Non-Voting Members

Mr. Mark D. Bartlett – Division Administrator, Federal Highway Administration

Mr. Brad Lindsey, P.E. – State Local Transportation Engineer, Alabama Department of
Transportation

Tony Burns – Chairman, Technical Coordinating Committee

Matthew Connolly – Mayor, Town of St. Florian

Derek Silcox – Mayor, Town of Leighton

Technical Coordinating Committee (TCC) Voting Members

Katie Logan, City of Tuscumbia

Bill Batson, City of Florence

Tony Burns, City of Muscle Shoals

Eric Hill, Lauderdale County

Jud Young, North Region, Alabama Department of Transportation

Jeremy Robison, Colbert County

David Abernathy, Lauderdale County

John A. McGee, Town of Killen

Bryan Hammond, Town of Killen

Melissa Bailey, City of Florence

Brad Williams, City of Muscle Shoals

Fred Mason, City of Sheffield

Mike Davis, City of Sheffield

Jeff McDonald, City of Tuscumbia

Hal Greer, Director, Florence / Lauderdale County Port Authority

Technical Coordinating Committee (TCC) Non-Voting Members

Mark Chamblee, Town of Leighton
James Kasmeier, Town of St. Florian
Tom Thornton, Town of St. Florian
Barry Griffith, Director, Northwest Alabama Regional Airport
Caitlin Holland, Shoals Area Chamber of Commerce
Susan Gregory, Norfolk Southern
Eddie Russell, Director, North Alabama Highway Safety Office
Jesse E. Turner, Director of Transportation and Planning, Northwest Alabama Council of Local Governments
Joseph E. Holt, Transportation Planning Director, Northwest Alabama Council of Local Governments
Barrett Dees, ALDOT Assistant Design Engineer
Aaron Dawson, Federal Highway Administration
Courtney Roberts, Federal Transit Administration

Shoals Area Metropolitan Planning Organization (MPO)

Annual Listing of Obligated Projects

Fiscal Year 2023

Purpose

The purpose of this report is to provide a list of federal highway and transit funded projects obligated in the previous fiscal year. A project is considered obligated when a funding contract has been completed, or a grant has been awarded. The report includes all projects in the Shoals Urban Area obligated in fiscal year 2023, which ran from October 1, 2022 through September 30, 2023. Metropolitan Planning Organizations (MPOs) are required to produce this list annually.

Laws and Regulations

The laws that require Metropolitan Planning Organizations (MPOs) to develop TIPs are found in accordance with Public Law 117-58, the Infrastructure Investment and Jobs Act (IIJA), as adopted by Congress in November 2021. IIJA establishes that the metropolitan planning process be a cooperative, continuous, and comprehensive framework for making transportation investment decisions in metropolitan areas. The development of a TIP is specifically addressed in 23 USC 450.326.

Transportation Improvement Program (TIP)

The list of obligated projects begins with the Transportation Improvement Program (TIP). Federally funded projects must be included in the TIP. The TIP is a prioritized list of transportation projects adopted every four years by the MPO. The projects on the TIP are taken from the Shoals Area Long-Range Transportation Plan (LRTP) except for certain level-of-effort projects. The LRTP covers a 25-year horizon, while the TIP covers only four years. The TIP divides the LRTP into four different phases (preliminary engineering, right-of-way, utility relocation, and construction) and assigns a start date to each phase of the project.

Summary of Obligated Projects

A total of \$4,731,001 million was obligated during fiscal year 2023 for a variety of State, County, and local roadway projects in the Shoals Urban Area.

This includes \$1,384,354 in FTA for transit operations.

Table Format

The table is sorted by project Sponsor. The Project Number refers to the Alabama Department of Transportation project management identification code. The scope represents the phase of the project. Road projects are divided into preliminary engineering (PE), right-of-way (RW), utility relocation (UT), and construction (CN). The description starts with the type of work, followed by the name of the road. The Alabama Department of Transportation provided the project listing through their online portal program.

The amounts listed in the “% Engineers Estimate” identifies the estimated federal funding amount. The “Fed. Obligated” column shows how much funding has been committed at the time the report was ran. The “Fed. Expenditure” column represent what has been spent on the project. The “Balance” numbers are the amounts that have not been used.

Annual Listing of Obligated Projects

Sponsor: TBD

Program	Table No.	FA Nbr.	Project Number	Scope	Length (miles)	Start Date	Type of Work	% Engineer Estimate	Fed. Obligated	Fed. Expenditure	Balance
